

## Unified Terms of Service for Matuki Labs

### Introduction

Welcome to Matuki Labs ("Matuki Labs," "we," "us," or "our"). Matuki Labs provides a range of technology products and services, including the Launchpad, Casper community management tool, lootboxes, and more. By using any of Matuki Labs' products or services (collectively, "Services"), you are agreeing to be bound by these Unified Terms of Service ("Terms").

### Eligibility

The Services are available to users worldwide, except for those residing in jurisdictions where access to certain Services is prohibited by local regulations. Users must ensure compliance with their local laws and regulations regarding the use of our Services, including any applicable age restrictions. Our products and services are not intended for anyone under the age of 13.

### Account Registration and Data Collection

To access and use the Services, users may be required to create an account, connect a compatible blockchain wallet, or voluntarily create a profile on one of Matuki Labs' products. Users are responsible for maintaining the security of their account credentials and private keys. Matuki Labs will not be held responsible for any losses resulting from unauthorized access to a user's account or wallet. By voluntarily submitting data on any of Matuki Labs' products or services, users agree to share that data with Matuki Labs. We may use this data to improve our products and services, and provide access to third parties in accordance with data privacy regulations. We will do our best to maintain user anonymity.

### Fees and Payments

Users may be required to pay fees for using certain Services. The fees charged by Matuki Labs may vary depending on the specific Service. NFT projects are charged a percentage of mint and royalties, while users of our platforms (not NFT projects) may be subject to transaction fees and service fees. Each product and service has its own fee structure, which may be subject to change.

### User Conduct

Users of the Services must not engage in any activity that violates local or international laws, infringes on the intellectual property rights of others, or otherwise breaches these Terms. Matuki Labs reserves the right to deny access to any user if we suspect they are in violation of these Terms.

### Limitation of Liability

Matuki Labs provides the Services as a means to facilitate various technology solutions. We cannot be held liable for the actions of users or third parties involved in the use of the Services, including project teams or other collaborators.

### Data Privacy and Protection

Matuki Labs is committed to protecting the privacy and security of user data. Our data collection, storage, and processing practices comply with applicable local regulations. For more information, please refer to our Privacy Policy. By voluntarily submitting data on any of Matuki Labs' products or services, users agree to share that data with Matuki Labs. We may use this data to improve our products and services, and provide access to third parties in accordance with data privacy regulations.

#### Intellectual Property

All intellectual property rights associated with the Services, including but not limited to text, graphics, logos, and software, are owned by Matuki Labs or its licensors. Users may not reproduce, distribute, or otherwise exploit such content without the express written permission of Matuki Labs or the respective intellectual property owner.

#### Termination

Matuki Labs reserves the right to terminate access to the Services for any user found to be in violation of these Terms, local regulations, or applicable laws.

#### Governing Law and Dispute Resolution

These Terms shall be governed by and construed in accordance with the laws of the jurisdiction where Matuki Labs is incorporated. Any disputes arising from the use of the Services or these Terms shall be resolved through negotiation, mediation, or arbitration as agreed upon by both parties.

#### Changes to the Terms

Matuki Labs reserves the right to modify these Terms at any time. Users are responsible for reviewing the Terms periodically to stay informed of any changes. By continuing to use the Services, users are deemed to have accepted the modified Terms.

#### Contact Information

If you have any questions or concerns about these Terms or the Services, please contact us at [ukiyonft@proton.me](mailto:ukiyonft@proton.me).

#### Specific Terms for Launchpad

##### Scope

This section applies specifically to the Launchpad, a service that provides technology solutions for NFT projects, including artwork generation, metadata generation, candy machine v3 setup and testing, minting, and other SaaS tools after mint.

##### Supported Blockchains

The Launchpad currently supports projects on Solana and Polygon, with Ethereum support coming in the future.

##### Project Liability

Once mint funds are distributed to a project team, Matuki Labs cannot be held liable for the actions of that project or its team members.

### Specific Terms for Casper Community Management Tool

#### Scope

This section applies specifically to the Casper community management tool, a software product designed to help manage and engage with online communities.

#### User Responsibilities

Users are responsible for ensuring that their use of Casper complies with all applicable laws, regulations, and platform-specific terms and conditions. Matuki Labs is not responsible for any violations that may occur as a result of user actions while using the Casper tool.

### Specific Terms for Lootboxes

#### Scope

This section applies specifically to lootboxes, a digital product offering random rewards or content.

#### Purchase and Refund Policy

All sales of lootboxes are final, and no refunds will be provided once a lootbox has been opened or its contents have been revealed. Users should carefully consider their purchase before opening a lootbox.

#### Compliance with Laws

Users are responsible for ensuring that their purchase and use of lootboxes comply with all applicable laws and regulations in their jurisdiction.

#### Prize Fulfillment

Projects use lootboxes as a way to reward their community. Their users can spend SPL tokens to open lootboxes that contain random prizes. Projects set the rarity of prizes and add prizes to the lootboxes. Matuki Labs is not responsible for any prizes won that are unfulfilled by a project.

By using any of Matuki Labs' products or services, you acknowledge that you have read, understood, and agree to be bound by these Unified Terms of Service, including the specific terms for each product and service outlined above. If you do not agree to these Terms, please do not use our Services.
